ACQUIRED

SUPPLEMENT TO
REPORT NO.

25X1X

1. In the course of the last few months (before July 1952), short wave reception of VOA and BBC broadcasts in Latvia has ranged from just audible to understandable.
2. VOA broadcasts on medium waves have been barely audible and have not been understood because of systematic jamming.
3. Radio reception of foreign broadcasts is worse in Riga than in country districts.
